Profile

I write, draw and make things.

Education

2010 - 2xxx Open University Study (...)

I am currently studying [Exploring science \(S104\)](#).

Next, I study [Biological psychology: exploring the brain \(SD226\)](#). I read for a [BSc \(Hons\) in Life Sciences](#).

2006 - 2008 GCE Advanced Level (...)

AAA in English, History and Government & Politics at RGS Guildford, 2008.

2004 - 2006 GCSE (...)

AAAAAABBB in English Literature, English Language, Mathematics, French, History, Religious Studies, Ancient Greek and Double Science at RGS Guildford, 2006.

Projects

2008 - 2xxx Noble Carrots (...)

A blog about video games. In connection to my writing, I was mentioned by N'Gai Croal in his Newsweek blog, Level Up and appeared on the Brainy Gamer podcast.

I first aped others, then moralized tritely. Under the influence of greater lights, the blog became something I am proud of. I will write it for the foreseeable future.

The blog's design focusses on content, to draw attention to my ideas.

2007 - 2008 ReasonedBlog with [Henry Stanley](#) (...)

A blog about liberal ethics. I wrote articles and filmed videos, engaging with a community of activists.

Other Work

2009 Columnist, [Leeds Student](#) (...)

At the [University of Leeds](#), I wrote a weekly column on video games for the city student paper.

2009 - 2xxx Contributor, Critical Distance

2007 - 2008 Customer Consultant, The Body Shop

2007 Office Assistant, Crest Nicholson

2006 - 2007 [thinkus](#) (...)

I was a founding member of an award-winning Young Enterprise company. I worked on product design and manufacture, marketing, event management and legal issues.
